WHO IS AN ADDICT?

Most of us do not have to think about this question . . **WE KNOW.**

Our whole life and thinking was centered in drugs in one form or another - the getting and using and finding ways and means to get more.

We lived to use and used to live. Very simple, an addict is a man or woman whose life is controlled by drugs.

We are people in the grip of a continuing and progressive illness whose ends are always the same - **jails, institutions and death.**
